Marymoor Subarea Study Area

## Attachment B Marymoor Subarea

1. Although for Comprehensive Plan purposes the Marymoor Subarea extends west of the city limit into Marymoor Park, planning for the park was outside the scope of this proposal.
2. The study area extends beyond the boundaries of the Marymoor Subarea in order to incorporate key intersections as part of the infrastructure study: NE 70th St & Redmond Way, Redmond Way & 180th/E Lk Samm Pkwy, and NE 65th St & E Lk Samm Pkwy.
